She spoke of her contributions to the district noting the steady improvement in our student's overall academic achievement, staff performance and community relations. She offered Dr. Clark the full Board's gratitude for her hard work and dedication and wished her the best of luck, health and happiness going forward. She then presented Dr. Clark with a gift.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Action Items 16-SU-019

Dr. Clark presented her report to the Board.

Dr. Clark will present the following to the Board of Education:

1. Enrollment Report - 1,416
2. Suspension Report:
 - 1 - ½ day out of school suspension - RVS
 - 1 - 1 day out of school suspension - CTMS
3. HIB Report
4. Wordmaster Results - RVS

Dr. Clark shared wordmaster results at RVS. "Two teams representing Round Valley School recently earned Highest Honors in the **2015-16 WordMasters Challenge™**—a national vocabulary competition involving nearly 150,000 students annually. The sixth grade team scored an impressive 188 points out of a possible 200 in the last of three meets this year, placing first in the nation. In addition, the fourth grade team finished fifth nation wide with a score of 189 points.

In the overall competition (three meets), the sixth grade team again finished first in the nation with a cumulative score of 554 points out of a possible 600. The fourth graders placed seventh nationally with 547 points.

Competing in the difficult Blue Division of the **WordMasters Challenge™**, fourth graders Alex Domagalski and Selina Zhang, and sixth graders Rhythm Kumar, Sophia Reich, Addison Schmidt and Prerna Shankar each earned a perfect score of 20 in the recent meet. Nationally, only 60 fourth graders and 15 sixth graders achieved this result. Other students at Round Valley School who achieved outstanding results in the last meet of the year include fourth graders Leo Booth, Amelia Chapman, Lily Fasciano, Alise Neiman and Paul Yangco, and sixth graders Nathan Gilvey, Emma Kemprowski and Samantha Thompson.

In addition, the following students qualified for individual Highest Honors earning cumulative scores that placed them within the top 10-15 students in their respective divisions: fourth grader Selina Zhang (58 points), fifth grader Janie M (56 points), and sixth graders Prerna Shankar (60 points), Addison Schmidt (57 points), Nathan Gilvey (56 points), Rhythm Kumar (56 points) and Sophia Reich (56 points). Prerna was the only sixth grader in the nation to earn a perfect score on all three tests.

The students were coached in preparation for the **WordMasters Challenge™** by Renee Sielaff and classroom teachers.

The **WordMasters Challenge™** is an exercise in critical thinking that first encourages students to become familiar with a set of interesting new words (considerably harder than grade level), and then challenges them to use those words to complete analogies expressing various kinds of logical relationships. Working to solve the analogies helps students learn to think both analytically and metaphorically. Although most vocabulary enrichment and analogy-solving programs are designed for use by high school students, **WordMasters Challenge™** materials have been specifically created for younger students in grades three through eight. They are particularly well suited for children who are motivated by the challenge of learning new words and enjoy the logical puzzles posed by analogies.

The **WordMasters Challenge™** program is administered by a company based in Indianapolis, Indiana, which is dedicated to inspiring high achievement in American schools. Further information is available at the company's website: <http://www.wordmasterschallenge.com>

J. Patuto spoke to cub Scouts Pack 129 and what it means to be a member of a School Board. Many questions were generated from the meeting.

R. McLaughlin noted goals to recognize achievement of children and staff and noted that in the fall, retirees should be recognized. She also stated that academic achievement for students should be recognized at awards ceremony including honor roll students.

SECOND RECOGNITION OF THE PUBLIC

PLEASE RESPECT THE 3-MINUTE SPEAKING RULE AS PER BOARD OF EDUCATION BYLAW #0167 SO THAT THE BUSINESS OF THE BOARD MAY PROCEED IN A TIMELY MANNER.

Renee Sielaff Questioned why the employee named in the past two agendas was noted as a number in the past and now has a name posted in the resolution? Why

Mr. Gagliardi replied that the Board has to take action publically using a name, initials or a number. He said he did not think the nature of what lead to the Board to word the resolution a certain way is appropriate for public discussion.

Christine Laudo questioned why initials were used and then changed to a full name.

Dr. Clark replied that an error occurred in posting a working copy of the agenda so it was removed and replaced with the final copy of the agenda.

John Rivers commented that the Board has a choice to use a name, number or initials and the lawfulness of the options.
