3161- EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any teaching staff member who shows evidence of deviation from normal physical or mental health.

The Superintendent shall recommend to the Board the examination of any teaching staff member whose physical or mental conditions so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A teaching staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The cost of the examination will be borne by the Board and the appropriate examination will be completed by a physician or institution designated/approved by the Board. The Board will offer the employee the list of designated a physicians or institutions.

If the teaching staff member does not agree with the designated physician or institution the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the teaching staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

If the results of the examination show mental abnormality or communicable disease, the teaching staff member shall be placed on sick leave and compensated in accordance with his/her sick leave entitlement, if any, until proof of recovery, satisfactory to the Board, is furnished. No leave of absence granted under this policy shall exceed the term of the contract of a nontenured teaching staff member or a period of two years in the case of a tenured teaching staff member.

A teaching staff member who refuses to submit to the examination required by the Board and has exhausted the hearing procedures established by law and this policy shall be subject to discipline, which may include the certification of tenure charges to the Commissioner of Education.
