POLICY GUIDE

Good Sportsmanship

The Board believes that instilling habits of good sportsmanship should be one of the primary goals of athletic endeavors and that all district employees should model good behaviors in this area.

It is especially important that the Athletic Coordinator and coaches accept the responsibility for encouraging young athletes to handle themselves in a sportsmanlike way and be models of self-control and dignity for players and spectators. Coaches shall include discussions on courtesy and sportsmanlike behavior as part of pre-game activities. Student fans shall be reminded that their conduct reflects on the schools of this district and that poor sportsmanship will be disciplined.

Parents/guardians and other adult spectators shall also be encouraged to act as models for young people by demonstrating self-control and dignity at all athletic events.

Unsportsmanlike behavior as exhibited through verbal abuse, rude gestures, taunts, obscenities, thrown objects, etc., shall not be tolerated in students, staff or any persons in attendance at district athletic competitions. Discipline may include, but not be limited to, eviction from the competition and prevention from attending further competitions.

The Principal or designee shall prepare regulations on good sportsmanship and ensure their dissemination to students, parents/guardians and the community.
