

Kindergarten Supply List Patrick McGaheran School 2019-2020

While we will provide most of your major school supplies, we have compiled a list of suggested items children will need for kindergarten.

Through **Responsive Classroom Principles**, we work to establish a sense of community. Many of our supplies will be stored and used collectively in our classes. We ask that, with the exception of the sketch book, you not label items. We have listed brand names in cases where we find the products to be the most effective for our purposes.
